<p><b>13. TOTAL CLAIM AMOUNT</b> – Add lines 1 to 12. Your employer or payer will use this amount to determine the amount of your tax deductions.</p>	

**Filling out Form TD1**

Fill out this form **only** if any of the following apply:

- you have a new employer or payer and you will receive salary, wages, commissions, pensions, employment insurance benefits, or any other remuneration
- you want to change amounts you previously claimed (for example, the number of your eligible dependants has changed)
- you want to claim the deduction for living in a prescribed zone
- you want to increase the amount of tax deducted at source

Sign and date it, and give it to your employer or payer.

If you do not fill out Form TD1, your employer or payer will deduct taxes after allowing the basic personal amount **only**.

**More than one employer or payer at the same time**

If you have more than one employer or payer at the same time and you have already claimed personal tax credit amounts on another Form TD1 for 2019, you **cannot claim them again**. If your total income from all sources will be **more** than the personal tax credits you claimed on another Form TD1, **check this box**, enter "0" on line 13 and do not fill in lines 2 to 12.

**Total income less than total claim amount**

Check this box if your total income for the year from all employers and payers will be **less** than your total claim amount on line 13. Your employer or payer will not deduct tax from your earnings.

**Non-residents (Only fill in if you are a non-resident of Canada.)**

As a non-resident of Canada, will 90% or more of your world income be included in determining your taxable income earned in Canada in 2019?

- Yes (Fill out the previous page.)
- No (Enter "0" on line 13, and do not fill in lines 2 to 12 as you are not entitled to the personal tax credits.)

If you are unsure of your residency status, call the international tax and non-resident enquiries line at **1-800-959-8281**.

**Provincial or territorial personal tax credits return**

If your claim amount on line 13 is more than \$12,069, you also have to fill out a provincial or territorial TD1 form. If you are an employee, use the Form TD1 for your province or territory of employment. If you are a pensioner, use the Form TD1 for your province or territory of residence. Your employer or payer will use both this federal form and your most recent provincial or territorial Form TD1 to determine the amount of your tax deductions.

If you are claiming the basic personal amount **only** (your claim amount on line 13 is \$12,069.), your employer or payer will deduct provincial or territorial taxes after allowing the provincial or territorial basic personal amount.

**Note:** If you are a Saskatchewan resident supporting children under 18 at any time during 2019, you may be able to claim the child amount on Form TD1SK, 2019 Saskatchewan Personal Tax Credits Return. Therefore, you may want to fill out Form TD1SK even if you are **only** claiming the basic personal amount on this form.

**Deduction for living in a prescribed zone**

If you live in the Northwest Territories, Nunavut, Yukon, or another prescribed northern zone for more than six months in a row beginning or ending in 2019, you can claim any of the following:

- \$11.00 for each day that you live in the prescribed northern zone
- \$22.00 for each day that you live in the prescribed northern zone if, during that time, you live in a dwelling that you maintain, and you are the only person living in that dwelling who is claiming this deduction

\$

Employees living in a prescribed intermediate zone can claim 50% of the total of the above amounts.

For more information, go to [canada.ca/taxes-northern-residents](http://canada.ca/taxes-northern-residents).

**Additional tax to be deducted**

You may want to have more tax deducted from each payment, especially if you receive other income, including non-employment income such as CPP or QPP benefits, or old age security pension. By doing this, you may not have to pay as much tax when you file your income tax return. To choose this option, state the amount of additional tax you want to have deducted from each payment. To change this deduction later, fill out a new Form TD1.

\$

**Reduction in tax deductions**

You can ask to have less tax deducted on your income tax return if you are eligible for deductions or non-refundable tax credits that are not listed on this form (for example, periodic contributions to a registered retirement savings plan (RRSP), child care or employment expenses, charitable donations, and tuition and education amounts carried forward from the previous year). To make this request, fill out Form T1213, Request to Reduce Tax Deductions at Source, to get a letter of authority from your tax services office. Give the letter of authority to your employer or payer. You do not need a letter of authority if your employer deducts RRSP contributions from your salary.

The Jubilee Auditoria have a two stage fire alarm system. This system, designed for public assembly buildings, allows time to investigate the cause of the alarm.

In the first stage, the alarm rings intermittently and is only heard in the lobbies, auxiliary spaces and backstage areas. It is not audible in the audience chamber.

It is not necessary to evacuate during the first stage. However, once the alarms begin ringing continuously, this is an indication that the system has entered second stage. In the second stage all persons **MUST** exit the building through the nearest safe exit. Evacuation maps are posted in all back of house spaces.

There will be verbal announcements made shortly after the alarms begin ringing continuously and Jubilee staff will be clearing the building.

## **General Policies**

### **No Smoking**

In accordance with *The Tobacco Reduction Act* (Statutes of Alberta 2005 Chapter T-3.8) (as amended), the Alberta Jubilee Auditoria are non-smoking facilities and the licensee must ensure there is no smoking in the Back of House areas.

A CE must be supplied through the IATSE Local or through the Jubilee Auditoria and the cost for the CE will be added to your IATSE crew bill or invoiced by the Auditoria.

Connections that are of a multiple pole plug type of 50 amperes or less with a "first make, last break" grounding pole may be connected by Jubilee Auditoria staff. In addition, the disconnection of cam lock connectors may be done by the Jubilee Auditoria House Lighting Technician after power panels are powered down.

### **Hard Hats**

During all work calls when there are workers on the Grid or overhead, everyone working, supervising or visiting the stage must wear a CSA approved hard hat (CSA Standard Z94, Class E) regardless of task and duration on stage.

Failure to comply may result in an eviction from the stage.

### **Steel Toed Footwear**

During all work calls it is strongly recommend that CSA approved footwear with safety toe caps, shanks (Class 1, green “patch” triangle) and electrical shock resistance (white rectangle with orange Omega symbol) be worn at all times.

It is also **strongly recommended** that long pants are worn at all times while working on the stage.

I, THE UNDERSIGNED, ACKNOWLEDGE THAT I HAVE READ AND UNDERSTOOD THE PROCEDURES AND OPERATING POLICIES SET OUT ABOVE.
