Thousands of Canadians face hunger every year and food banks across the country are unable to keep up with the demand. Especially in the summer months. This year, we're facing hunger head on. In 2017, from May 23 to June 9, food banks across Canada will come together to participate in the Every Plate Full Food Drive with an inspiring goal: to fill the plates of every hungry Canadian this summer. Through the efforts of local food banks with the support of the national campaign, we're bringing Canada together to make a difference.

Canadian Locals of the IATSE have again taken on the challenge of fund raising. IATSE Local 212 earned the bragging rights in the first two years of the annual campaign by raising the most funds, let's do better! Each Local has the opportunity to form a team and raise funds through online donations or by hosting / organizing fund raising events and food drives. All monies raised by a local are submitted to their communities Food Bank.
