2024 Personal Tax Credits Return

Read page 2 before filling out this form. Your employer or payer will use this form to determine the amount of your tax deductions.

Fill out this form based on the best estimate of your circumstances.

If you do not fill out this form, your tax deductions will only include the basic personal amount, estimated by your employer or payer based on the income they pay you.

Last name	First name and initial(s)	Date of birth (YYYY/MM/DD)	Employee number
Address	Postal code	For non-residents only Country of permanent residence	Social insurance number

1. Basic personal amount – Every resident of Canada can enter a basic personal amount of \$15,705. However, if your net income from all sources will be greater than \$173,205 and you enter \$15,705, you may have an amount owing on your income tax and benefit return at the end of the tax year. If your income from all sources will be greater than \$173,205 you have the option to calculate a partial claim. To do so, fill in the appropriate section of Form TD1-WS, Worksheet for the 2024 Personal Tax Credits Return, and enter the calculated amount here.

2. Canada caregiver amount for infirm children under age 18 – Only one parent may claim \$2,616 for each infirm child born in 2007 or later who lives with both parents throughout the year. If the child does not live with both parents throughout the year, the parent who has the right to claim the "Amount for an eligible dependant" on line 8 may also claim the Canada caregiver amount for the child.

3. Age amount – If you will be 65 or older on December 31, 2024, and your net income for the year from all sources will be \$44,325 or less, enter \$8,790. You may enter a partial amount if your net income for the year will be between \$44,325 and \$102,925. To calculate a partial amount, fill out the line 3 section of Form TD1-WS.

4. Pension income amount – If you will receive regular pension payments from a pension plan or fund (not including Canada Pension Plan, Quebec Pension Plan, old age security, or guaranteed income supplement payments), enter **whichever is less**: \$2,000 or your estimated annual pension income.

5. Tuition (full-time and part-time) – Fill in this section if you are a student at a university or college, or an educational institution certified by Employment and Social Development Canada, and you will pay more than \$100 per institution in tuition fees. Enter the total tuition fees that you will pay if you are a full-time or part-time student.

6. Disability amount – If you will claim the disability amount on your income tax and benefit return by using Form T2201, Disability Tax Credit Certificate, enter \$9,872.

7. Spouse or common-law partner amount – Enter the difference between the amount on line 1 (line 1 plus \$2,616 if your spouse or common-law partner is **infirm**) and your spouse's or common-law partner's estimated net income for the year if **two** of the following conditions apply:

- You are supporting your spouse or common-law partner who lives with you
- Your spouse or common-law partner's net income for the year will be less than the amount on line 1 (line 1 plus \$2,616 if your spouse or common-law partner is **infirm**)

In all cases, go to line 9 if your spouse or common-law partner is **infirm** and has a net income for the year of \$28,041 or less.

8. Amount for an eligible dependant – Enter the difference between the amount on line 1 (line 1 plus \$2,616 if your eligible dependant is **infirm**) and your eligible dependant's estimated net income for the year if **all** of the following conditions apply:

- You do **not** have a spouse or common-law partner, or you **have** a spouse or common-law partner who does not live with you and who you are not supporting or being supported by
- You are supporting the dependant who is related to you and lives with you
- The dependant's net income for the year will be less than the amount on line 1 (line 1 plus \$2,616 if your dependant is **infirm** and you **cannot** claim the **Canada caregiver amount for infirm children under 18 years of age** for this dependant)

In all cases, go to line 9 if your dependant is **18 years or older, infirm**, and has a net income for the year of \$28,041 or less.

9. Canada caregiver amount for eligible dependant or spouse or common-law partner – Fill out this section if, at any time in the year, you support an **infirm** eligible dependant (aged 18 or older) or an **infirm** spouse or common-law partner whose net income for the year will be \$28,041 or less. To calculate the amount you may enter here, fill out the line 9 section of Form TD1-WS.

10. Canada caregiver amount for dependant(s) age 18 or older – If, at any time in the year, you support an **infirm** dependant age 18 or older (**other than** the spouse or common-law partner or eligible dependant you claimed an amount for on line 9 or could have claimed an amount for if their net income were under \$18,321) whose net income for the year will be \$19,666 or less, enter \$8,375. You may enter a partial amount if their net income for the year will be between \$19,666 and \$28,041. To calculate a partial amount, fill out the line 10 section of Form TD1-WS. This worksheet may also be used to calculate your part of the amount if you are sharing it with another caregiver who supports the same dependant. You may claim this amount for more than one infirm dependant age 18 or older.

11. Amounts transferred from your spouse or common-law partner – If your spouse or common-law partner will not use all of their age amount, pension income amount, tuition amount, or disability amount on their income tax and benefit return, enter the unused amount.

12. Amounts transferred from a dependant – If your dependant will not use all of their disability amount on their income tax and benefit return, enter the unused amount. If your or your spouse's or common-law partner's dependent child or grandchild will not use all of their tuition amount on their income tax and benefit return, enter the unused amount.

13. TOTAL CLAIM AMOUNT – Add lines 1 to 12.

Your employer or payer will use this amount to determine the amount of your tax deductions.

--

Filling out Form TD1

Fill out this form **only** if any of the following apply:

- you have a new employer or payer, and you will receive salary, wages, commissions, pensions, employment insurance benefits, or any other remuneration
- you want to change the amounts you previously claimed (for example, the number of your eligible dependants has changed)
- you want to claim the deduction for living in a prescribed zone
- you want to increase the amount of tax deducted at source

Sign and date it, and give it to your employer or payer.

More than one employer or payer at the same time

- ☐ If you have more than one employer or payer at the same time and you have already claimed personal tax credit amounts on another Form TD1 for 2024, you **cannot** claim them again. If your total income from all sources will be more than the personal tax credits you claimed on another Form TD1, check this box, enter "0" on Line 13 and do not fill in Lines 2 to 12.

Total income is less than the total claim amount

- ☐ Tick this box if your total income for the year from **all** employers and payers will be **less** than your total claim amount on line 13. Your employer or payer will not deduct tax from your earnings.

For non-resident only (Tick the box that applies to you.)

As a non-resident, will 90% or more of your world income be included in determining your taxable income earned in Canada in 2024?

- ☐ Yes (Fill out the previous page.)
- ☐ No (Enter "0" on line 13, and do not fill in lines 2 to 12 as you are not entitled to the personal tax credits.)

Call the international tax and non-resident enquiries line at **1-800-959-8281** if you are unsure of your residency status.

Provincial or territorial personal tax credits return

You also have to fill out a provincial or territorial TD1 form if your claim amount on line 13 is more than \$15,705. Use the Form TD1 for your province or territory of **employment** if you are an employee. Use the Form TD1 for your province or territory of **residence** if you are a pensioner. Your employer or payer will use both this federal form and your most recent provincial or territorial Form TD1 to determine the amount of your tax deductions.

Your employer or payer will deduct provincial or territorial taxes after allowing the provincial or territorial basic personal amount if you are claiming the basic personal amount **only**.

Note: You may be able to claim the child amount on Form TD1SK, 2024 Saskatchewan Personal Tax Credits Return if you are a Saskatchewan resident supporting children under 18 at any time during 2024. Therefore, you may want to fill out Form TD1SK even if you are **only** claiming the basic personal amount on this form.

Deduction for living in a prescribed zone

You may claim **any** of the following amounts if you live in the Northwest Territories, Nunavut, Yukon, or another prescribed **northern** zone for more than six months in a row beginning or ending in 2024:

- \$11.00 for each day that you live in the prescribed northern zone
- \$22.00 for each day that you live in the prescribed northern zone if, during that time, you live in a dwelling that you maintain, and you are the only person living in that dwelling who is claiming this deduction

Employees living in a prescribed **intermediate** zone may claim 50% of the total of the above amounts.

For more information, go to canada.ca/taxes-northern-residents.

\$

Additional tax to be deducted

You may want to have more tax deducted from each payment if you receive other income such as non-employment income from CPP or QPP benefits, or old age security pension. You may have less tax to pay when you file your income tax and benefit return by doing this. Enter the additional tax amount you want deducted from each payment to choose this option. You may fill out a new Form TD1 to change this deduction later.

\$

Reduction in tax deductions

You may ask to have less tax deducted at source if you are eligible for deductions or non-refundable tax credits that are not listed on this form (for example, periodic contributions to a registered retirement savings plan (RRSP), child care or employment expenses, charitable donations, and tuition and education amounts carried forward from the previous year). To make this request, fill out Form T1213, Request to Reduce Tax Deductions at Source, to get a letter of authority from your tax services office. Give the letter of authority to your employer or payer. You do not need a letter of authority if your employer deducts RRSP contributions from your salary.

This will be gathered on a monthly basis by Culture Technical Staff.

- Medical aid or treatment on the same day of the occurrence

- Seek medical treatment if required.
- Submit a Worker's Report of Injury to WCB for anything beyond first aid.
- Document the incident by filling out an Incident Report form and submit to Culture Technical Staff.

Fire Alarm System

The Jubilee Auditoria have a two stage fire alarm system. This system, designed for public assembly buildings, allows time to investigate the cause of the alarm.

In the first stage, the alarm rings intermittently and is only heard in the lobbies, auxiliary spaces and backstage areas. It is not audible in the audience chamber.

It is not necessary to evacuate during the first stage. However, once the alarms begin ringing continuously, this is an indication that the system has entered second stage. In the second stage all persons **MUST** exit the building through the nearest safe exit. Evacuation maps are posted in all back of house spaces.

There will be verbal announcements made shortly after the alarms begin ringing continuously and Jubilee staff will be clearing the building.

General Policies

No Smoking

In accordance with *The Tobacco Reduction Act* (Statutes of Alberta 2005 Chapter T-3.8) (as amended), the Alberta Jubilee Auditoria are non-smoking facilities and the licensee must ensure there is no smoking in the Back of House areas.

Fire Curtain

The fire curtain line **must** remain clear of obstructions and must be able to travel freely at all times.

Power Tie-In:

All electrical connections using cam lock connectors or bare wire and all bare wire disconnections must be performed by a certified electrician (CE) with a valid Journeyman Ticket. A CE must be supplied through the IATSE Local or through the Jubilee Auditoria and the cost for the CE will be added to your IATSE crew bill or invoiced by the Auditoria.

Connections that are of a multiple pole plug type of 50 amperes or less with a “first make, last break” grounding pole may be connected by Jubilee Auditoria staff. In addition, the disconnection of cam lock connectors may be done by the Jubilee Auditoria House Lighting Technician after power panels are powered down.

Occupational, Health and Safety Policies

Fall Protection

In addition, whenever the man lift is in operation all outriggers must be fully deployed. If the lift must be moved or adjusted then the worker shall be tied off to an approved external point.

A safety harness is not required for the operation of the drivable scissor lift provided it is being used on a level surface.

When any work is being performed overhead outside of the catwalk guard rails, the worker shall wear and use approved harness and fall arrest equipment as directed in Alberta Jubilee Auditoria instructions. “*Fall Arrest Procedures*” and “*Travel Restraint Procedures*” can be found in the Fall Protection Plan.

Any worker supplying their own Personal Protection Equipment (“PPE”), e.g. harness, lanyard and shock absorber, is responsible for ensuring that the PPE meets CSA standards and may be subject to a visual inspection by the House Technicians.

The Jubilee Auditorium Fall Protection Plan documentation is available for your review in the crew lounge and on the staff website at:
